**VACATIONROOST.COM INTRODUCES NEW DEAL FINDER PAGE TO HELP TRAVELERS LOCATE BEST SAVINGS ON VACATION RENTALS**

**PARK CITY, Utah (Dec. 4, 2008)** – VacationRoost.com, the most comprehensive online marketplace for professionally managed vacation rental properties, today announced its new VacationRoost Deal Finder page. This feature will help travelers save money on trusted vacation rentals from more than 100,000 rental properties in 84 of the most popular vacation destinations across the Rockies, Eastern beach markets, Caribbean and Mexico.

With more than 850 travel deals available this winter, VacationRoost.com has set a new company record for the number of deals offered at one time. For example, in Breckenridge, a thriving family-friendly ski destination, VacationRoost.com has more than 300 deals available with “free nights” included. Since the average stay of most ski trips is four nights, travelers who book a three night stay will get the fourth night completely free. This type of offer is ideal for travelers who want to save money without altering their desired length of stay.

In addition to receiving one free night, many deals in popular ski destinations include ski-in/ski-out access and hot tubs, which are two frequently requested amenities. Travelers also enjoy perks at select properties such as free ski lift tickets, which are valued at up to \$200 per day for two people.

“With the current economic climate, some travelers have been hesitant to plan a vacation. As a result, lodging suppliers are offering deeply discounted rates that are typically only offered during ‘off-peak’ times of the year,” said Julian Castelli, VacationRoost.com CEO. “At VacationRoost.com, we are seeing specials over Christmas, New Year’s and other holiday periods that have never been available before. There has never been a better time to get an incredible deal for the holidays, and VacationRoost Deal Finder helps travelers take advantage of huge savings.”

Vacation rentals help travelers get more bang for their buck by providing more space, separate bedrooms, privacy, kitchens and more, at affordable prices. With VacationRoost Deal Finder, families, groups and friends can now save even more money.

VacationRoost Deal Finder can be found on VacationRoost.com’s ([www.vacationroost.com](http://www.vacationroost.com)) homepage by clicking on the “Deals” tab.
